RECOGNITION

The Association shall be the sole and exclusive representative of the bargaining unit as determined under the procedures of the Act and certified by the State of New Jersey Public Employment Relations Commission on March 29, 1972. The negotiated Agreement shall apply only under conditions when members of the bargaining unit are engaged in the pursuit of their statutory duties, rules, regulations, policies and procedures of the Police Department in the service of the Employer.

It is further agreed that, implicit in the relationship between the Employer and the Association, no employee or applicant shall be discriminated against regardless of such individual's race, color, religion, sex, age or national origin in conformance with existing laws.

ARTICLE II

HOURS OF WORK

The normal work week shall commence at 12:01 A.M. on Monday and end at 12:00 Midnight the following Sunday.

Regular hours of work shall consist of forty (40) hours within this work week with the specific work schedule for each officer to be determined by the Chief of Police, or his designated representative.

The schedule shall be posted for the information of all officers at least two (2) weeks in advance. This posted schedule, however, shall not prevent the Chief of Police or his appointed representative from making revisions in the schedule for reasons such as illness, accident, or other unexpected events which might require a modification of the schedule after posting.

Officers who are assigned to work the twelve (12) hour schedule shall receive nine (9) 12-hour days off annually earned on a pro rata basis. These days shall be defined as "circle days." The Chief of Police, or his designee, shall have the discretion to grant a "circle day" to an officer, based upon that officer's request, provided that the request be in writing and made at least seven calendar days prior to the requested day off and provided that the request does not violate the Department's minimum staffing levels nor cause the Department to replace the absent officer by the use of an assignment that compels overtime. A written response to a request to take a "circle day" shall be provided by the Chief or his designee, no later than four days prior to the "circle day" being requested.

ARTICLE III

OVERTIME

Section 1

The nature of police work is such that incidental overtime is required to close out reports or complete job assignments that are considered an integral part of police work.

Section 2

On certain occasions officers may be required to work overtime. The following rules will apply:

- A. Incidental overtime required to close out a scheduled tour of duty; compensation will be at time and one-half for all hours worked in excess of scheduled tour of duty.
- B. Scheduled overtime will be compensated at the time and one-half rate for all hours assigned to be worked and worked. Scheduled overtime is extra work scheduled in advance.
- C. Municipal Court Appearances: No extra compensation shall be paid to an officer performing municipal court duty while on a scheduled tour of duty.

Section 3

It is the intent of the Employer that community relations, teaching or assignments of a similar nature shall be handled, whenever possible, by superior officers of the Department; provided, however, that if this is not practical at any given time, an officer covered by this Agreement may be assigned to such duty. If such assignment is performed during the officer's scheduled tour of duty, no

additional compensation shall be paid nor compensatory time off granted. If such assignment is performed outside the officer's scheduled tour of duty, he shall be compensated in the same manner and at the same rates that apply to other scheduled overtime as specified in this Article.

Section 4 – EMERGENCY RESPONSE CALL-OUT PROVISION

In the event of a natural, civil or technological emergency or disaster occurring within the Township and requiring the presence of additional personnel, or in the event of a mutual aid call from a neighboring municipality requiring the response of additional Hanover Township police officers, the Chief of Police or his designee is empowered to call in such police officers who are available for non-scheduled emergency duty.

Those officers reporting for emergency service shall be paid at the regular overtime rate for all such hours worked but not less than three (3) hours.

For purposes of this provision, emergencies or disasters are defined as unforeseeable and unexpected conditions which effect the health, safety and welfare of the residents of Hanover Township and the public at large. Examples of emergencies or disasters requiring the call-out of additional police officers shall include but are not limited to the following: severe thunderstorms, hurricanes, snow and ice storms, floods, tornados, earthquakes, hazardous materials incidents, fires, explosions, vehicular or transportation accidents, aircraft related incidents, power failures, radiological incidents, civil disturbances, water supply failures, gas leaks and nuclear attack.

Section 5 – PRE-TOUR OF DUTY CALL-OUT

Upon reporting for a scheduled tour of duty, but prior to the actual start of the tour, if a patrolman is directed by a Squad Sergeant and/or another superior officer to respond to an assignment, the responding officer shall be entitled to receive compensation.

The compensation shall be in the form of one-half hour increment payments and calculated at the overtime rate. If such assignments continue within the police officer's scheduled tour of duty, no additional compensation shall be paid or compensatory time off granted.

For purposes of this provision, an assignment is defined as a call received either in person or by telephone at Police Headquarters requiring the assistance of the Hanover Township Police Department. Examples of assignments include but are not limited to the following incidents: domestic disputes, vehicular accidents, assaults, fires, car thefts, burglaries, shoplifting.

Section 6

Compensation for all overtime shall be authorized by the Chief of Police or his designated representative.

ARTICLE IV
GRIEVANCE PROCEDURE

Section 1

It is the intention of the parties to amicably and peacefully resolve all controversies without need for the strife which attends controversies between employers and employees. Towards that end, the Association agrees not to engage in any strike or job action. In consideration thereof, the parties to this Agreement further agree that, in order to preserve harmony and insure the peaceful and rational resolution of differences, they will utilize the following grievance and arbitration procedure.

Section 2

A grievance shall be defined as a difference of opinion, controversy or dispute arising between the Association or any of its members and the Employer relating to any matter concerning wages, hours or working conditions which involves the interpretation or application of any provision under this Agreement.

Section 3

The grievance shall be processed as follows:

STEP 1

The officer and/or the Association shall be entitled to make a verbal complaint under this procedure within five (5) working days of the alleged complaint or infraction of the Agreement, or within five (5) working days in which such incident or infraction became known to the grievant. The grievance shall be presented verbally to a senior officer below the Chief of Police, who will discuss the matter with the officer and/or the Association representative at the earliest possible time. Every

attempt shall be made by both parties to resolve the complaint or dispute at this level. If the dispute cannot be resolved satisfactorily at this level within ten (10) calendar days, then

STEP 2

The officer and/or the Association representative shall present the grievance, in writing, stating in detail the nature of the complaint and the section of the Agreement allegedly violated and the relief sought. Such written grievance shall be presented to the Chief of Police only during normal office hours, that is, those hours when the Chief's office is usually open and then no later than five (5) working days after the discussion has been concluded at Step 1. For the purpose of this provision, working days shall be defined as only those days when the Chief's office is open.

If a grievance is not filed in writing within twenty (20) days after the grievant knew or should have known of its occurrence, then in that event, the grievance shall be determined to be abandoned by the grievant and he is precluded from processing the grievance through the grievance procedure under the collective negotiations agreement.

The Chief of Police shall review the grievance with the officer and/or the Association representative within two (2) working days of the receipt of the written grievance. If a mutually satisfactory settlement is not reached, he shall then reply to the written grievance within three (3) working days after the conclusion of the discussion at this step. If the grievance is denied at this step, the officer and/or the Association representative may request the Chief of Police to forward the written grievance and his reply to the Township Committee.

STEP 3

If such request is made, the Chief of Police shall forward the written grievance to the Township Committee. The Township Committee shall review such grievance with the officer and/or the Association representative. If a mutually satisfactory settlement is not reached, the Township Committee shall reply in writing within thirty (30) days of the receipt of the grievance.

STEP 4

If the Association is dissatisfied with the decision of the Township Committee, the grievance in dispute shall be submitted to arbitration. It is understood that the right to arbitrate a grievance shall not infringe on any statutory or regulatory obligations of individual officers or place an unreasonable burden on the operation of the Police Department. Only the Employer or the Association shall have the right to submit a grievance to arbitration.

The request for arbitration shall be submitted in writing not more than thirty (30) days after the receipt of the Township Committee's reply.

In following the foregoing procedure, if extenuating circumstances arise for either party, the prescribed time limits specified above may be extended by mutual agreement of the parties.

The selection of an arbitrator shall be made from a list of names of qualified arbitrators obtained from the New Jersey Public Employment Relations Commission. Whenever feasible, arbitration shall be conducted by selected arbitrators on a rotating basis.

The power of the arbitrator shall be strictly limited to rendering a decision as to the interpretation and/or application of any provision of this Agreement

concerning wages, hours, or working conditions within the context of a grievance as defined in Section 2 of Article IV herein. The arbitrator shall be limited to his review to the issue or issues submitted for arbitration by the parties to this Agreement and shall be without power or authority to make any decision:

1. Contrary to, inconsistent with, or modifying, varying, changing, altering, deleting or adding to in any way, the terms of this Agreement or of applicable law or rules and regulations that have the force and effect of law, including (but not by way of limitation), the Employer-Employee Relations Act, N.J.S.A. 34:13A-1, et seq.;
2. Involving Employer discretion or Employer policy under the provisions of this Agreement, under Employer by-laws, or under applicable law;
3. Limiting or interfering in any way with the powers, duties and responsibilities of the Employer under its by-laws, applicable law, and rules and regulations having the force and effect of law;
4. Involving a question of negotiability or any question of unfair labor practice.

The PBA is permitted to have a representative meet with the grievant and management at each step of the grievance procedure. Representative as defined herein includes counsel.

The decision rendered by the arbitrator in accordance with this procedure shall be final and binding on both parties.

The cost of the neutral arbitrator shall be borne equally by each of the contracting parties. All other expenses shall be borne by the parties themselves.

ARTICLE V

VACATIONS

For the purpose of this Article, a year shall be considered as the calendar year commencing January 1 and ending December 31. The vacation schedule and the number of vacations granted at any given time shall be made up by and be the responsibility of the Chief of Police subject to the provisions of Section "J" of this Article. All full time officers will be granted vacation periods subject to the following service factors:

- A. Officers engaged or re-engaged on or subsequent to July 1 of the current year – No Vacation
- B. Officers engaged or re-engaged after October 1 of the preceding year and prior to July 1 of the current year – five (5) days.
- C. Officers engaged or re-engaged prior to October 1 of the preceding year – ten (10) days.
- D. Officers who have completed 1 through 5 years of credited service – ten (10) days per year.
- E. Officers beginning with the 6th year through completion of the 9th year of credited service – fifteen (15) days per year
- F. Officers beginning with the 10th year through completion of the 14th year of credited service - twenty (20) days per year.
- G. Officers beginning with the 15th year of credited service shall receive twenty (20) days per year plus one day for each year of credited service over fourteen (14) years to a maximum of twenty-five (25) days per year.

H. Officers shall not begin the first week of vacation prior to the completion of at least six (6) months of continuous service from the date of engagement or re-engagement nor begin the second week of vacation prior to the completion of at least twelve (12) months of continuous service from the date of engagement or re-engagement.

I. Vacations shall be taken during the calendar year and will not be considered cumulative. If for valid reasons this cannot be done, at the request of the employee this requirement may be waived for a period of up to thirty (30) days after January 1 of the following calendar year by the Administrator on the recommendation of the Chief of Police. For any vacation granted under this waiver, the rate of vacation pay shall be the same as that prevailing during the calendar year the vacation was due.

In the event the Employer requests the officer to postpone his vacation from one calendar year to the next, vacation pay, when granted, shall be at the rate in effect at the time the officer's vacation is taken.

J. The selection of the vacation period for individual officers shall be based on a procedure to be determined by a committee consisting of the Chief of Police and/or his designated representative(s) and not more than three (3) members of the Association. In determining this procedure, the Chief of Police and/or his designated representative(s) shall have a vote equal to that of the Association, regardless of the number of Association representatives involved.

In the event of an impasse in determining the procedure, the Township Committee shall make the final decision. Such procedure shall be binding on

all members of the bargaining unit. The procedure may be revised at any time by mutual agreement of the parties.

K. For the purpose of vacations, credited service is counted from the date of engagement. Officers who are re-engaged by the Employer will have all and prior service accumulated and credited after they have been employed continuously for a period of five (5) years. The Chief of Police will then determine and establish a new engagement date in order to determine the net credited service for vacation eligibility.

L. Officers whose period of vacation is increased in the course of a calendar year upon completion of a specified period of service listed above shall receive upon the completion of the required period of service the additional vacation to which they shall be entitled. The period when this additional vacation is taken shall depend on the conditions specified under the terms of this Article.

M. Termination of Service; Proration.

1. Whenever during the calendar year an employee shall resign, retire or be dismissed from the service of the Township, any vacation time shall be prorated and taken prior to severance from the service of the Township.
2. If during the calendar year an employee should resign, retire or be dismissed from the service of the Township and based upon certification of the appropriate department head all of his/her vacation time has been taken, it shall be the responsibility of that individual to reimburse the Township for vacation time taken but not yet earned or

accrued. The Treasurer shall then be empowered to garnish the final paycheck of any employee in order to compensate the township to take whatever other appropriate action may be necessary to recover any monies due the Township.

3. It shall be the responsibility of the Township Administrator to calculate the amount of prorated vacation time which may be taken by any employee who is voluntarily or involuntarily severed from the service of the Township.

N. Notwithstanding the provisions of Section M herein, as an incentive to those Township police officers retiring pursuant to a regular service retirement under the terms prescribed by the Police and Firemen's Retirement System with twenty-five (25) or more years of service, the Township will not prorate the vacation days in the last year of service in recognition of that officer's meritorious service. Rather the eligible employee will receive his entire vacation allowance regardless of his retirement date. Any full time employee who may qualify under the terms of this provision shall make application to the Township Committee at least sixty (60) days prior to the date of retirement.
